

# New Americans in Marion County, IN

State & Local

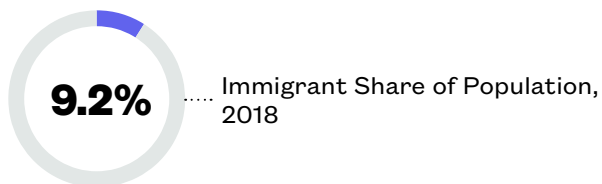

## A Snapshot of Demographic and Economic Characteristics of Immigrants in the County<sup>1</sup>

Since the onset of the COVID-19 pandemic, local leaders in communities across the country have been working tirelessly to ensure that all community members have access to the services and support they need. The immigrant population is both essential to our country's rapid response efforts and especially vulnerable to gaps in our social safety nets. Understanding this population will help better inform local leaders as they aim to implement inclusive emergency response policies.
